Objectives

• Objective 1:
  – Learn techniques for establishing a community network to leverage internal customer assistance programs

• Objective 2:
  – Learn techniques for integrating customer assistance programs with the utility and community advocates

• Objective 3:
  – Better engage low income customers via specific assistance programs and educational community seminars
Objective 1

Learn techniques for establishing a community network to leverage internal customer assistance programs
Community Networks

Community Advocacy Group (CAG)

• Comprised of advocacy groups
• Created to assist on policy change recommendations
• Works to garner broad community support on issues related to vulnerable customers
• Changes this group spearheaded
  – Summer and winter disconnects moratorium
  – Medically vulnerable program changes
  – Payment Arrangement Policy
  – Arrearage Program
Discount Steering Committee (DSC)

- Comprised of community agencies that have direct collaborations/agreements with AE
- Designed for AE to work with community partners who provide direct service
- Gives partners an opportunity to provide guidance on key issues
- Makes recommendations on assistance program implementation and structure
- Changes this group spearheaded
  - Expansion of the Discount Program
  - Oversight on Weatherization and Education Components
  - Payment Arrangement Policy
  - Arrearage Program
Community Partner Network (CPN)

- Comprised of community agencies that have direct collaborations/agreements with AE
- Direct Communication arm to our customer base
- Educated about all of Austin Energy policy and procedures
- Designed for AE to assist with disseminating emergency financial utility assistance
- Develop plan for ensuring utility services remain intact
Refugee Project

- **Two agency collaboration**
  - Refugee Services of Texas
  - Caritas

- **Customers denied services because of inability to provide a valid ID**

- **Worked within the confines of our service regulations**
  - Potential customers were vetted by federal government
  - Utilized I-9 ID’s as a temporary ID
  - 6 weeks later social security number is provided

- **Account case managed by Austin Energy**
  - Accounts in customer’s own name
  - Accounts are managed until social security numbers are provided

- **Customer case managed by Referring Agency**
  - Education about utility bill
  - Understanding a utility bill
  - How to manage their utility bill
  - Paying their utility bill
Objective 2

Learn techniques for integrating customer assistance programs with the utility and community advocates
Discount Program

Provides discounts to City of Austin utility customers on low or fixed incomes who participate in certain state, federal, or local assistance programs. These discounts appear on the customer’s bill monthly.
Discount Program

• Eligibility based on customer or household member receiving any of the following:
  – SNAP
  – CHIP
  – MAP
  – Medicaid
  – VASH
  – CEAP
  – Telephone Lifeline

• Customers impact
  – Average of $762 per year per family
  – $16 million overall annual customer savings
Weatherization Program

Offers no-cost home improvements to qualified customers, in an effort to lower their utility costs and make their monthly bills more manageable.
Education Program

• Required pre-requisite
• One 4 hour interactive
  – Whole family
  – One on One
• Flexible class schedules
• Spanish classes available
Designed to assist those City of Austin utility customers who are having financial difficulties and are unable to pay their utility bill due to unexpected emergencies. The City of Austin has partnered with local churches and non-profits to help identify assistance recipients.
The City of Austin offers the Medically Vulnerable Registry for customers with life support equipment, a critical illness or serious illness. Eligible customers receive additional time to pay their bills in addition to one-on-one case management.
Objective 3

Better engage low income customers via specific assistance programs and educational community seminars
• Case Management Project
• Arrearage Management Program
• Affordable Energy Policy Summit
• Community Connections Resource Fair
• General Outreach
• Site Visits
Case Management Project

- Community based organizations serving high risk populations
  - Families with children who have severe medical issues
  - Elderly low income
  - Families struggling with HIV/AIDS
  - Homeless veterans

- Single point of contact from Austin Energy
  - Customer Solution Coordinators (CSC)
  - Direct contact with agencies
  - Create comprehensive action plans
  - Flexibility in policy decisions
Arrearage Management Program

- Focus: customers with debt between $1,750 to $3,000
- Match towards customers total amount due
- 36 months
- Enrolled in Budget Billing
- Internal administration
- Referred to Education and Weatherization Programs
