The National Energy & Utility Affordability Coalition (NEUAC) is a broad-based, diverse coalition of advocates working together to reduce the financial burdens of the cost of energy and water for vulnerable households. We accomplish this mission through education, advocacy, policy change, and partnerships. NEUAC signature initiatives include:

Annual Conference, the largest gathering of energy and water assistance leaders for innovation, training, education, networking, and sharing common challenges and successes.

LIHEAP Action Day, our annual gathering of advocates in Washington, D.C. to educate Congressional members and staff of the need for continued LIHEAP funding.

NEUAC members are organizations, but the benefits extend to all employees.

Member benefits include:

Discounted registration to the NEUAC Annual Conference

Complimentary registration for LIHEAP Action Day

Networking and peer support on energy and water assistance issues

Timely email updates on LIHEAP and LIHWAP, regular members-only policy calls
