How do we use volunteers?

Our primary mission is building **decent**, **affordable** homes.

- We limit the number of volunteers on the construction site from 5 – 30 volunteers.
- Volunteers are asked to perform demolition work, framing, drywall, painting, landscaping, or cleaning when on the construction site.
- Office volunteers assist in pre-screening applicants, logging construction volunteer data, or assist in outreaching events.

CFC #71579

How do we use volunteers?

- In 2014, we had 3,078 volunteers working on the construction site
    - These volunteers include:
        - Corporate teams;
        - Congregations;
        - Schools and community groups; and,
        - Theme builds, such as:
            - Women's Build
            - Rainbow Build
            - Veteran's Build
            - 9/11 Build
            - Martin Luther King Jr. Build
            - "Buildable Hours"

How do we use volunteers?

Group Size	Weekday	Saturday	Nonprofit
10 Volunteers	$4,000	$5,500	$800
15 Volunteers	$5,000	$6,500	$1,200
20 Volunteers	$6,000	$7,500	$1,500
25 Volunteers	$7,000	$8,500	$1,700
30 Volunteers	$8,000	$9,500	$2,000
