

NEUAC Board Composition

This document presents board composition highlights gathered from the 2025-2026 NEUAC Board members. Each topic is summarized for the Governance Board only and for the full NEUAC Board (including Governance, Advisory, and Ex-Officio).

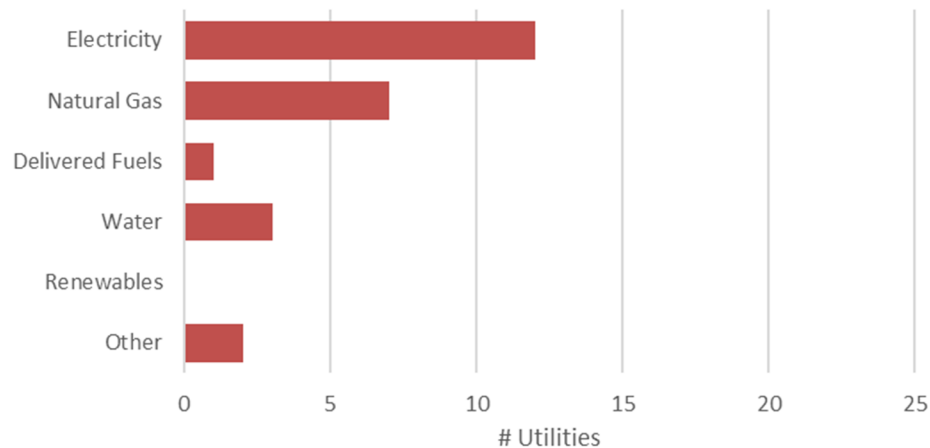

This data is current as of 9/26/2025. The “no response” count for each topic includes both the number of board members who have not completed the survey and survey respondents who skipped the question.

Organization Characteristics

Governance Board

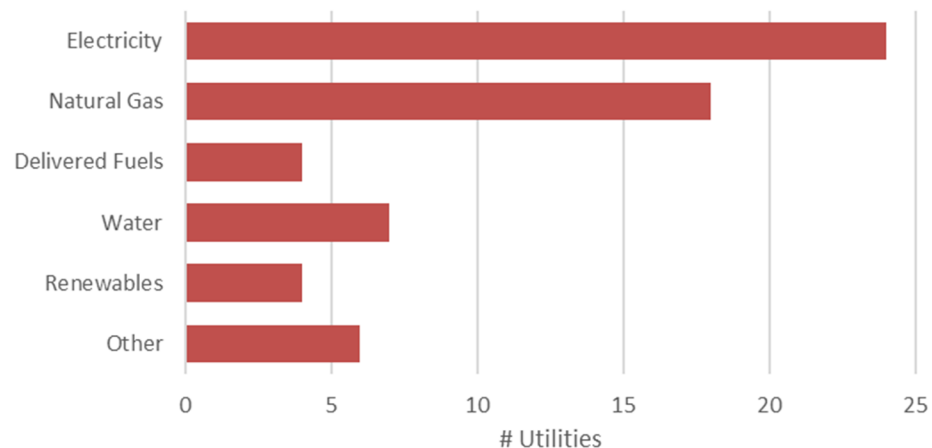

If your organization is a utility,
what resource(s) do you provide?

*Does not reflect utility board members that have not completed the survey

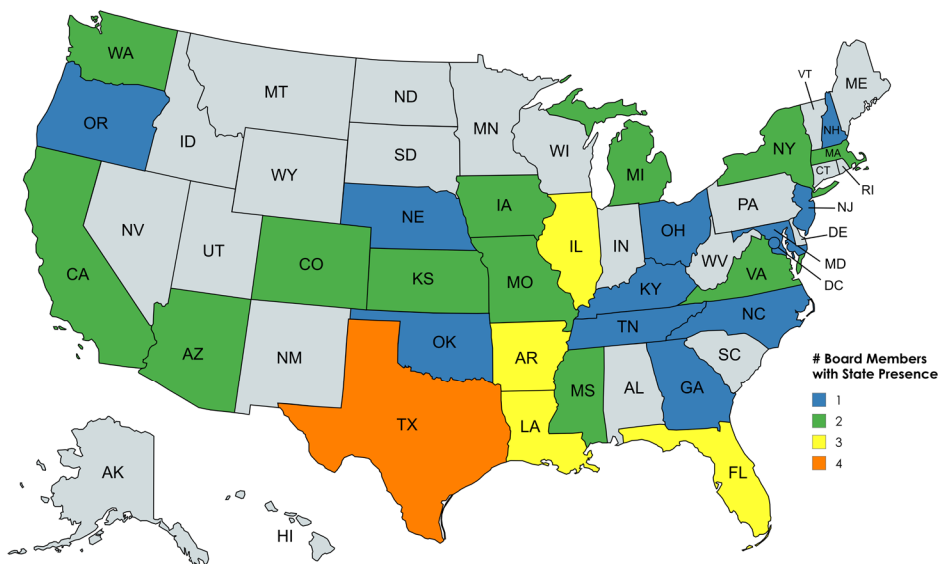

Full Board (Governance, Advisory, and Ex-Officio)

If your organization is a utility,
what resource(s) do you provide?

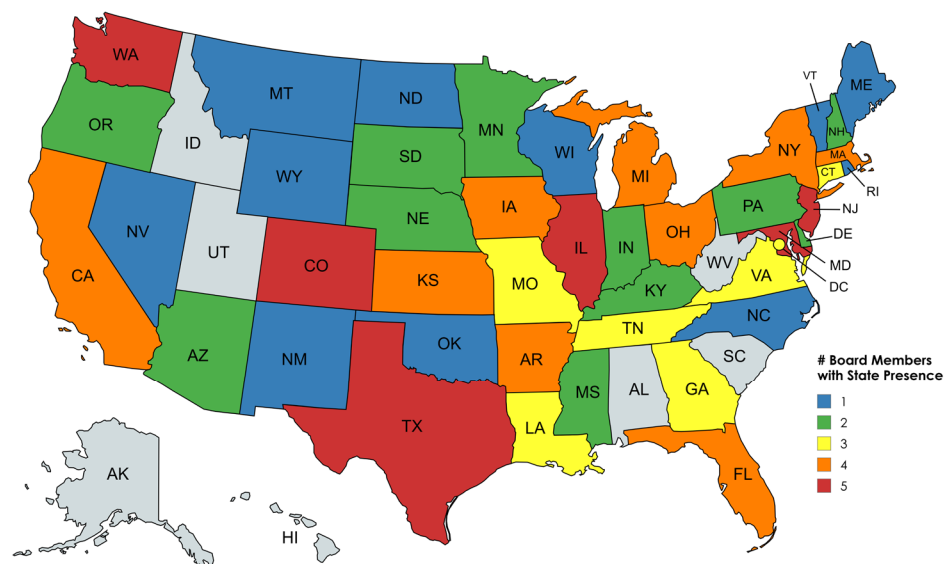

*Does not reflect utility board members that have not completed the survey
