Households served with a senior

### Annual Funds, 2018 - 2024

(\$ millions)

### Use of Funds

# LIHEAP Fast Facts

The Low Income Home Energy Assistance Program (LIHEAP) provides crucial financial assistance to help low-income families afford energy costs.

**6 million**  
households supported

Nearly 6 million households across the U.S. received assistance from LIHEAP in FY2024.

**50,000**  
homes weatherized

Nearly 50,000 homes were weatherized using LIHEAP funds in FY2024, making them safer and more energy efficient.

**2 million**  
disconnections prevented

In FY2024, LIHEAP prevented disconnection or reconnected households to energy or fuel more than 2 million times.

**57,000**  
children

**78,000**  
seniors

**lifted out of poverty**

In FY2024, energy assistance helped to lift 57,000 children and 78,000 older adults out of poverty.

LIHEAP plays a crucial role in helping income-constrained families afford energy costs, preventing disconnections, and improving energy efficiency, ultimately impacting poverty levels and enhancing the overall well-being and safety of vulnerable households.
