§ Some households may receive more than one type of assistance.
‖ Duplicated count; households receiving more than one type of crisis assistance may be counted more than once. Crisis funding includes year-round crisis benefits.

LIHEAP Fast Facts

The Low Income Home Energy Assistance Program (LIHEAP) provides crucial financial assistance to help low-income families afford energy costs.

5.7 million
households supported

Nearly 6 million households across the U.S. received assistance from LIHEAP in FY2025.

>45,000
homes weatherized

Nearly 50,000 homes were weatherized using LIHEAP funds in FY2025, making them safer and more energy efficient.

2.4 million

In FY2025, LIHEAP **prevented disconnection or reconnected households** to energy or fuel more than 2 million times.

41,000
children

71,000
seniors

lifted out of poverty

In 2025, energy assistance helped to lift 41,000 children and 71,000 older adults out of poverty.

LIHEAP plays a crucial role in helping income-constrained families afford energy costs, prevent disconnections, and improve energy efficiency — ultimately impacting poverty levels and enhancing the overall well-being and safety of households.
